Thank you very much for your cheerful letter that I enjoyed reading very much.

Well I suppose I must begin to tell you some of my enjoyments and misfortunes. The other day we got into a pickle for there were a real number of girls sat on the back seat of the bus eating a cocoa cocoa.

Winnie's fault. After while the mistress in the bus came back to us and told us we were acting like five year olds.

To the last couple of days she has not been in our bus so we have been singing at the tops of our voices.
